First Aid, CPR and AED Titles

Dear Lecturer

Class Publishing (representing Jones & Bartlett Learning) are delighted to send you details of our new books in the field of First Aid, CPR and AED Titles.

Here at Class Publishing we appreciate the importance of supporting your students with up to date, affordable materials and we constantly strive to provide academically accurate textbooks at student friendly prices. We are now able to offer unique discount codes that you can issue to your students to enable them to receive our titles at discounted prices, directly from us!

In order to decide if a book might be suitable for your course we know that you need to look at it in detail, so we offer all academics teaching a course for 12 or more students a choice of up to three complimentary inspection copies of textbooks that are applicable for the courses that they teach.

To order your complimentary inspection copies simply follow these three simple steps:

- 1. Find the text books that relate to your course in this catalogue.*
- 2. Send the completed form on the back of this catalogue telling us a few simple facts about yourself, your course and selecting the books you would like to receive. Alternatively you can email this information to me at dee.barnes@class.co.uk*

I look forward to hearing from you soon.

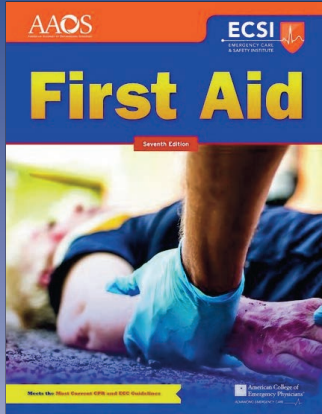

Dee Barnes

Product Specialist: Emergency Services
Class Publishing, dee.barnes@class.co.uk

First Aid, CPR and AED Titles

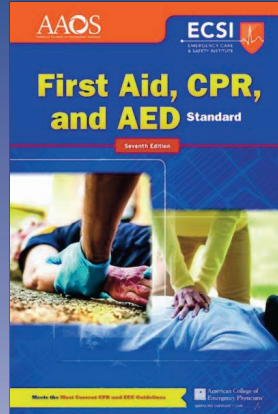

First Aid Seventh Edition

American Academy of Orthopaedic Surgeons (AAOS), American College of Emergency Physicians (ACEP), Alton L. Thygerson, Steven M. Thygerson
ISBN-13: 9781284131109

Paperback 122 pages © 2017

Based on the 2015 International Consensus Guidelines for Cardiopulmonary Resuscitation (CPR) and Emergency Cardiac Care (ECC), **First Aid**, Seventh Edition is ideal for use within courses designed to certify individuals in first aid and fulfill workplace training requirements. More than a stand-alone text, this student manual is the center of an integrated teaching and learning system that offers many resources to better support instructors and prepare students. This manual includes:

- Current information on injuries and illnesses including core information for first aiders presented in a clear and straightforward format.
- Skill Drills offering step-by-step explanations and visual summaries of important skills.
- Emergency Care Wrap-Up Tables which provide a concise summary of what signs first aiders should look for and what treatment steps they should take.

Standard First Aid, CPR and AED

Seventh Edition

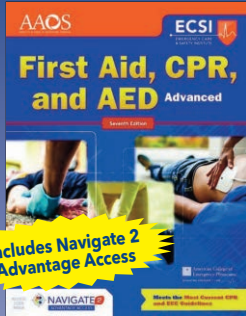

American Academy of Orthopaedic Surgeons (AAOS), American College of Emergency Physicians (ACEP), Alton L. Thygerson, Steven M. Thygerson
ISBN-13: 9781284041613

Paperback 134 pages © 2017

Based on the 2015 International Consensus Guidelines for Cardiopulmonary Resuscitation (CPR) and Emergency Cardiac Care (ECC), **Standard First Aid, CPR, and AED**, Seventh Edition is ideal for use within training courses designed to certify individuals in first aid, CPR, and AED. This student manual is the centre of an integrated teaching and learning system that offers many resources to better support instructors and prepare students.

- Coverage of the 2015 CPR and ECC Guidelines.
- Current information on injuries and illnesses.
- New and updated content on the use of hemostatic dressings, application of tourniquets, administering epinephrine, dental care, and more.
- Instructors have the option to mix and match teaching methods and learning tools to improve student retention and engagement!

First Aid, CPR and AED Titles

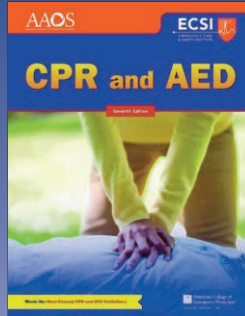

Advanced First Aid, CPR, and AED

Seventh Edition
American Academy of Orthopaedic Surgeons (AAOS), American College of Emergency Physicians (ACEP), Alton L. Thygerson, Steven M. Thygerson
ISBN-13: 9781284105315
Paperback 500 pages
© 2017

Based on the 2015 International Consensus Guidelines for Cardiopulmonary Resuscitation (CPR) and Emergency Cardiac Care (ECC), **Advanced First Aid, CPR, and AED**, Seventh Edition is ideal for use within college-level courses designed to train individuals in first aid, CPR, and AED. This student manual is the centre of an integrated teaching and learning system that offers many resources to better support instructors and prepare students.

- Coverage of the 2015 CPR and ECC Guidelines.
