

# How to access the EEAST Clinical Manual App

1. **Set a password:** Go to [eeasapp.co.uk/setpassword](https://eeasapp.co.uk/setpassword) and enter your EEAST email address. This will send you a link to set your password to your EEAST email. When you click on that link, it will lead you to a website where you can create a password. Then press 'Submit'.
2. **Download the app:** Go to either the Apple App Store or the Google Play Store and search for 'EEAST Clinical Manual' to download the app.
3. **Log in:** Once downloaded, you will be able to log straight into the app using your EEAST email address and the password you created.
