

HOW TO ACCESS YOUR EBOOK

Class Professional continually strive to provide you with the best products and excellent customer service. Thanks to a unique collaboration between Class Professional and Kortext, you will now have digital access to the eBooks you have purchased on one platform.

The enhanced service will mean that you can access your eBook online and offline via your phone, tablet, laptop or desktop computer, combined with a set of tools that provide you functionality beyond anything a traditional printed textbook can offer.

Please follow the instructions below to access Kortext and your digital textbooks.

Log in to <https://app.kortext.com>

If you already have a kortext account, log-in and redeem your access code (shown below), your ebook will be available on your bookshelf. If you do not have a kortext account put the access code below in the box 'enter your access code'.

You will then be presented with a screen containing the terms and conditions of the site. Please click the accept button if you agree and you will then have access to your content on the Kortext platform. You may be asked to register with your email.

Your access code has been emailed to you.

You can now Download the Kortext App to access your books on your mobile device by following these links.
